**Depth**

**Description** The Sensate panty will be displayed on the mandrel. Tonita Abeya is designing a full line of latex garments, with and without built-in male or female condoms. The female condom rendered at left will not slip out of place while in use and does not require an outer ring to stay in place. Some pieces in the Sensate line are pure fashion (such as tops, gloves and stockings). They coordinate with the wearable condoms for a
